

WDI International Conference

26-27 July 2025

London, UK

Building International TERF Sisterhood & End Sex Falsification and Restore Safeguarding - UK Campaign

WDI invite you to a women only, hybrid international conference at the Wesley Hotel, near Euston and Kings Cross, London, UK.

The spread of gender identity politics has been swift and wide reaching. Women's Declaration International has been working for seven years to defend women's sex-based rights against this politics and has a declaration signed by 547 organizations and nearly 40,000 individuals from 160 countries.

This conference will be a wonderful time to get together and will help us share information about how to defend women's rights. The conference theme will be our great collective success building International Sisterhood, but as always, we will be focussing on all the issues raised in the Declaration.

If you can't attend in person, you can join us online.

We aim to give space to every female who supports the Declaration on Women's Sex-based Rights to share and develop ideas and plans, so get in touch to get on the programme. If you want to speak or do a workshop, email info@womensdeclaration.com
