

# WDI International Conference

## 26-27 July 2025

### London, UK

### **Building International TERF Sisterhood & End Sex Falsification and Restore Safeguarding - UK Campaign**

WDI invite you to a women only, hybrid international conference at the Wesley Hotel, near Euston and Kings Cross, London, UK.

The spread of gender identity politics has been swift and wide reaching. Women's Declaration International has been working for seven years to defend women's sex-based rights against this politics and has a declaration signed by 547 organizations and nearly 40,000 individuals from 160 countries.

This conference will be a wonderful time to get together and will help us share information about how to defend women's rights. The conference theme will be our great collective success building International Sisterhood, but as always, we will be focussing on all the issues raised in the Declaration.

If you can't attend in person, you can join us online.
